

## **BELLE OF THE SOUTH - BRODERIE PERSE by Kathy Dunigan**

**6-hour Class \$ 700. - Intermediate, Advanced – can teach HAND OR MACHINE**

*Broderie Perse-lique'™ — is a great addition to your quilts! Kathy has a fabulously easy way to make Broderie Perse beautiful and fun! "This ain't your Mama's way of doing things!" And the fabrics that are in your kits will assure that everyone can design a unique wall-hanging. Get close up with Kathy and learn her unique way of using this fabulous technique of days past, BUT with a twist! Too good to believe! Quickly learn how you can masterfully cut out the fabric motif that you choose, then use Kathy's prepared edge applique technique to ready the motif and place on background. Kathy will demonstrate how to applique Hand or Machine, so that you will master both! Whimsical flowers cut from a delicious reproduction fabric, embroidery work and beads, lend themselves to a very creative process and fun class. You can choose a light or dark background for your 23" kit. Or reserve several kits for a full-size quilt design opportunity!*

### **Required Kit - \$40**

**MOST EVERYTHING** needed to make the wall-hanging! All fabric, including background choice, pattern, thread, most notions needed, beads, embroidery floss. Student needs to bring small scissors, straight pins and any preferred supplies and light. If **MACHINE** class, student should bring open toe foot, 60-65 microtex sharp needle.

Original background shown – Belle of the South

Background shaded to black to show different choice – Belle of the South

## **BLUEBIRDS OF HAPPINESS – APPLIQUE by KATHY DUNIGAN**

### **6-hour Class \$700 - All Levels – HAND or MACHINE CLASS**

*Kathy's 22" wall hanging, with pattern designed by her mom, JoAnn Hudgins, under TQP Design Company, features her "No Fail" Appliqué methods and beautiful fabric kits to make your birds sing beautifully. Happy Bluebirds dance among the limbs and search for Ultrasuede berries and embroidered seeds. You will delight in her simple, yet masterful ways to make gorgeous applique quits! This pattern lends itself to even more blooms and foliage and can stand alone as a wall hanging or make a whole quilt with different colored birds in each block. You will have fabrics to make red birds and/or bluebirds! This class features a fun, creative process and uses prepared edge techniques (but you can use any applique method). There will be no limit to what you can applique after this class with Kathy! Don't be scared to jump right in, as Kathy never ends her "demos up close and personal". And for our "machine enthusiasts" or those that want to learn machine applique, this class is designed by Hand but leaves the actual applique stitch choice to be done by Hand or Machine.*

**Required kit price - \$30** includes EVERYTHING needed to make the wall-hanging! All fabrics, including background choice, pattern, needles, thread, all notions needed. Student needs to bring small scissors and any preferred supplies, personal light. \*If MACHINE class, student should bring open toe foot and 60-65 microtex sharp needle

## **BRODERIE PERSE BY MACHINE APPLIQUE – Kathy Dunigan**

**6-hour Class - \$700 - All levels**

*Broderie Perse-lique™ — is a great addition to your quilts! Kathy has a fabulously easy way to make Broderie Perse beautiful and fun! "This ain't the way your grandma way did it!" And the fabrics that will vary in your kits will assure that everyone has a unique wall-hanging. Get close up with Kathy and learn her unique way of using this fabulous technique of days past, BUT with a twist! Too good to believe! Quickly learn how you can masterfully cut out the fabric motif that you choose, then use Kathy's prepared edge applique technique to ready the motif and place on background. Kathy will teach you her wonderful Machine techniques and you will start stitching on a prepared sample provided so that you will be ready to excel!*

**Required Kit? \$40 includes:**

MOST EVERYTHING needed to make the wall-hanging! All fabrics, including background choice, pattern, thread, Kathy's applique foundation paper, glue, orange stick. Fabrics will vary and each student's block will be unique.

**Student needs to bring:** small sharp scissors, 60-65 microtex sharp machine needle, Open-toe machine foot, straight pins and any preferred supplies, personal Lightbox if available, but lightbox use will be available throughout the classroom.

\*Students will begin sewing right away on a provided sample, then delve right into making applique pieces and sewing them.

**Sample one – Broderie Perse**

Sample Two – Broderie Perse

Sample Three – Broderie Perse

## MARY'S FLORAL OFFERING – HAND OR MACHINE APPLIQUE

### KATHY DUNIGAN 6-hour Class - \$700 - All Levels

*This beautiful 23" x 26" work of art is a nod to Mary Manakee and her 1850 quilt. Kathy has found the perfect balance of fabric and design to set together a small quilt or wall-hanging that will make your heart sing. Baltimore Album quilts are like none other and this lighthearted rendering of flowers in a vase will be the perfect addition to your repertoire of quilts. You'll get a chance to sew on a provided sample and when you are ready, you'll be able to soar! Kathy will help you get the very best results with your appliqué and then to sew the pieces down by machine. You'll get to try some silk ribbon rosebuds and adorn your quilt. What a great day of learning we'll get to share together!*

**Required kit \$40 includes:** all fabric, including background and borders; thread, appliqué foundation paper, glue, orange stick, pattern.

**Please bring to class:** Fabric Scissors, Straight Pins, personal light if desired, any specialty sewing items you require, 60-65 microtex sharp, Open toe machine foot.

\*Supply list varies slightly, if hand or machine machine.

## PAPERCUTS - DESIGN BALTIMORE ALBUM STYLE – KATHY DUNIGAN

**6-hour Class \$700 - All Levels**

*At first glance, this wall-hanging looks of Hawaiian origin, but uses patterns (you can design your own or use mine!) based on Baltimore album quilt style from the 1850's. Kathy will teach you the absolute easiest prepared edge technique with applique foundation product left in (used for hand or machine alike); then help you get the fabulous machine applique results you desire! Fun class with awesome design possibilities! Learn the technique with a provided sample and then fly!*

**Required Kit \$35 includes:**

ALL APPLIQUE AND BACKGROUND FABRIC, ANY EMBELLISHMENTS, THREAD, GLUE, ORANGE STICK, PENCIL, APPLIQUE FOUNDATION PRODUCT

**Please bring to class:** Fabric Scissors, Paper Bag for Trash, 60 or 65 sharp or microtex, Open-toe machine foot, personal sewing light if needed; any personal sewing supplies you may already want to use for prepared edge applique; personal pressing board for applique work (Kathy has some to borrow or buy)

**\*\*\*THIS CLASS IS ABSOLUTELY A STUDENT FAVORITE AS IT TEACHES TWO WONDERFUL TECHNIQUES THAT MAKE EVEN BEGINNER STUDENTS HAVE AMAZING RESULTS. PLUS, DESIGNING YOUR OWN BLOCKS TECHNIQUE GETS STUDENTS TO EXPLORE NEW POSSIBILITIES.**

## **PARADE OF POSIES - MACHINE OR HAND APPLIQUE – KATHY DUNIGAN 6-hour Class - \$700 - All Levels**

*Who doesn't love a parade? This fun class filled with perfect posies will have you shouting, "Hooray!" If you are new to appliqué or just ready to try machine appliqué, you'll find this class will have you jumping for joy, with the ease and precision that Kathy will introduce you to. You'll start out on a "ready to sew" provided sample and earn your wings quickly. Then you'll work at your own pace, using Kathy's easy "prepared-edge technique" to make your appliqué pieces. Lots of "hands on demos" and kit provides everything needed.*

### **Required kit \$35 includes:**

All fabric, INCLUDING: background, appliqué fabric, borders thread, Appliqué foundation paper, glue, orange stick, pattern.

**Please bring to class:** Fabric Scissors, 60-65 microtex sharps needle, Open-toe foot, personal light if desired, any specialty sewing supplies you may like.

## PITCHER OF POSIES-Machine Applique - KATHY DUNIGAN

**6-hour Class - \$700 - All Levels**

*Kathy's 23" X 27" MACHINE APPLIQUE wall hanging, with pattern designed by her mom, JoAnn Hudgins, under TQP Design Company, features her "No Fail" Appliqué methods and beautiful fabric kits to make your garden grow beautifully. Delight in her simple, yet masterful way to place your appliqué fabrics. This pattern lends itself to even more blooms and foliage and can stand alone as a wall hanging or make a whole quilt with different pitchers in each block. What could be more inviting than these breathtaking flowers? This class features a fun, creative process and uses prepared edge techniques (but you can use any applique method). There will be no limit to what you can applique after this class with Kathy! Don't be scared to jump right in, as Kathy never ends her "demos up close and personal". And for our "hand enthusiasts" this is a great project to embellish afterwards!*

**Required kit fee \$40 includes:** EVERYTHING needed for the wall hanging is included. You will be able to choose a dark or light background in class. All fabrics, including background choice, pattern, thread, all embellishments needed. Fabrics may vary slightly.

**\*\*\*Student needs:** to bring small sharp scissors and any preferred supplies, personal light if desired, 60-65 microtex sharps needle, Open-toe machine foot.

## **RHAPSODY IN RED TABLE RUNNER – HAND OR MACHINE APPLIQUE – KATHY DUNIGAN 6-hour Class - \$700 - All Levels**

*Join Kathy as she shares her fabulous new table runner pattern and shows you the "ropes" on all things appliqué. Get ready to learn the most amazing and accurate method of appliqué, with Kathy there every step of the way. The pattern is simplistic yet challenging enough to please any level of appliquéer. The required kit will have everything you need to make this 17" x 43" table runner. Just a perfect day of fun and learning!*

**Required kit \$40 includes:** All fabrics needed - except for backing (there will be two color ways available), pattern, Appliqué Foundation Paper, glue, orange stick, thread included.

**Students required to bring to class:** Fabric Scissors, 60-65 microtex sharp needle, open-toe foot, personal sewing light if needed, any basic supplies you want on hand. This class works as a **HAND or MACHINE** appliqué quilt class. Description uses same info; just remove hand or machine references.

## VINTAGE VASES - MAGICAL MACHINE APPLIQUE - KATHY DUNIGAN

**2-day 12 hour Class - \$1300 - All Levels**

*Magical machine applique? Why yes! Join Kathy and learn her fabulous techniques to get a start or "perfect" your applique. This class will have you grinning ear to ear, when you discover just how "do-able" her magical machine applique is! No, this isn't raw edge or fusible applique, although Kathy lets you choose any technique that works for you. You'll get to start out on a provided sample to sew and learn on machine, then work at your pace as Kathy guides you to make your finest applique pieces; then stitch pieces down like magic. Ready to design your own quilt? The kit will have most everything that you need, and you can choose from 12 original vase designs and make at least four 18" blocks to make a wall-hanging or quilt. Then choose your favorite design setting.*

*Woohoo! This is gonna' be magic!*

**Required Kit \$50 includes:** All fabric, including background, borders, threads, embellishments, pattern, fabric glue, Kathy's applique foundation paper, vinyl placemat, orange stick.

**\*Students bring fabric to class:** Dark Fabric Marker, Fabric Scissors, Seam Ripper, 60-65 microtex sharp needle, Open-toe machine foot, personal light if student desires.

**\*\*\*I CAN TEACH AS A ONE DAY, BUT BETTER SERVED AS A TWO DAY CLASS. IF ONE DAY CLASS, I WILL STILL HAVE THE STUDENTS "FLYING" ALONG AND CAN COVER EVERYTHING.**

One of Twelve vase patterns

Example of how you can lay out your four chosen vases. You'll get 12 vase patterns to make a whole quilt if you like!
